SUBJECT

: Speaking Engagement--Texas A & M

1. Under the circumstances described in Mr. Horsley's letter of 15 January (attached), we would like for you to accept this engagement within your own schedule limitations and advise Mr. Horsley as to the Monday of your choice.

2. I saw Mr. Horsley at College Station last week and confirmed the contents of his letter. Essentially, the only activity in College Station is A & M, and, as he says, the Reserve units are composed of faculty members. The president himself is a former General.

3. You should know, however, that Texas A & M is not all A & M, as you will note from the attached summary of 1963 graduates. Also, the college has a high enrollment of foreign students--298--(see country breakdown attached) [Redacted]

25X1

4. While you are in the Texas area, we probably should book you into the University of Texas for an engagement the next evening. So, if you will let me know your Texas A & M timing, I will get in touch with our University Associate at the University of Texas, Dr. James Roach, and book you there as well. Thank you very much.
